

Chew Stoke Out of School Club

Food & Drink Policy

- Our policy is to provide children with healthy, balanced and nutritious meals, snacks and drinks.
- Before a child is admitted we will obtain information about any special dietary requirements and food allergies and any special health requirements.
- Where parents provide meals for their children to eat in our setting we will provide chilled storage for packed lunches and appropriate storage areas for other foodstuffs.
- We will ensure fresh drinking water is available at all times, both in and outside of the setting.
- As a provider of meals and snacks the club is aware of its responsibilities under food hygiene legislation. The Club is registered with the Environmental Health Department.
- Any allergies must be recorded on registration forms.
- We will ensure that everyone caring for children, as well as the children themselves are aware of good hand washing procedures and how these are carried out.
- If there is an outbreak of food poisoning affecting two or more children looked after on the club premises we will notify Ofsted as soon as possible and within 14 days of the incident occurring in order to comply with regulations.
- We will keep all food receipts so that if there is an outbreak of food poisoning on the premises we will be able to trace the outlet where the food was purchased.
